

9th February 2018

Dear Parents and Carers

Year 11 – Computer Science Clinic

This half-term holiday, Computer Science students have the opportunity to make concerted effort towards strengthening and extending their knowledge and understanding of aspects of the subject which counts for over 50% of the overall qualification.

Throughout the school term we ran lunchtime and afterschool clinics, which were not well attended; hence the need for this half-term clinic. Your child will sit two Mock exams in the week commencing 5th March and we need to do our best to ensure your child receives all the time and support required to enable them prepare and achieve to their full potential.

Subject	Date	Time	Venue	Details
Computer Science	Tuesday 13 th Feb	10am – 12.30pm	6 th Form Computer Room	Revision with Mr Steels of units: <ul style="list-style-type: none">• Unit 1 – all units• Unit 2.4 Computational logic• Unit 2.6 Data Representation

Please note that it is important for your child to attend. In the past these sessions have made significant impact in students' overall progress. We look forward to seeing your child during the half term.

Yours faithfully

T. Adegoke
