Dear Parents and Carers

Year 11 – ICT Clinic

This half-term holiday, ICT students have the opportunity to make concerted effort towards their coursework which is 75% of the overall qualification.

Throughout the school term we ran lunchtime and afterschool clinics, which were not well attended; hence the need for this half-term clinic. Your child’s coursework is incomplete and we need to do our best to ensure your child receives all the time and support required to enable them complete the coursework to the expected standard before the deadline.

Please note that it is important for your child to attend. In the past these sessions have made significant impact in students’ overall progress. We look forward to seeing your child during the half term.
