

27th March 2018

Dear Parent/Carer

New Breakfast Offer

When students return to college after the Easter break (Monday 16th April 2018), our catering service, Pabulum, will be offering breakfast every morning in our school canteen from 8.00-8.30am. We are hoping this new offer will be very popular.

We appreciate that students arriving to college on the bus will struggle to access the service due to time. However, we hope that this service will prove useful and appealing for many students and families.

Students entitled to free school meals are able to spend some of their free school meal allocation at breakfast, if they wish. Please also note that a free porridge option is available to all.

Yours faithfully

Richard Spencer
Principal
