

10th September 2018

Dear Parent/Carer

Maths Clinics Open To Every Student, Every Week

The Ely College maths department is delighted to be offering drop-in maths clinics again this year. Clinics will be staffed by our teachers every Thursday straight after school and will run until 4pm on that day.

The purpose of the clinic is to provide a space where students can come to catch up on missed work, go through work that they have found difficult in lesson, complete a homework with a mathematician on hand to advise or guide, or simply a quiet space to carry on with some class activity that they have enjoyed.

There is no theme or topic each week – students from any year group can come along with whatever they wish to work on and receive support. If more exercises, examples or materials are needed then we are on hand to provide those.

Please encourage your child to attend some of these sessions – the more that students practise their maths, the better they get at successfully understanding the work.

The sessions will take place in room **BG5** every week – students just need to turn up and a maths teacher will be on hand to help.

First Half Autumn Term 2018

Date	Staff
13 September 2018	LSH & JWA
20 September 2018	AHU & JWA
27 September 2018	SRA & JWA
4 October 2018	TCL & JWA
11 October 2018	BSZ & JWA
11 October 2018	SCO & JWA
18 October 2018	SGO & JWA

Yours faithfully

Mr A Hutt
Assistant Curriculum Leader for Maths
