

30th January 2017

Dear Parents and Carers

ICT Trip to Bletchley Park

In order to enhance students' understanding and experience of the role of Computer Science in history and the modern world, we have organised a school trip for **Thursday 20th April 2017**, to Bletchley Park at Milton Keynes. Bletchley Park is the famous code breaking base which played a vital role in World War 2.

We will be traveling by coach which will depart from Ely College at 8.20am, students are expected to have boarded the coach at 8.10am. We shall return to Ely College at 4.10pm depending on traffic; students will need to make their own transport arrangements home.

Students will have hands-on experience with workshops which include:

- Codes and ciphers
- Interception of intelligence – over land and sea
- Cyber Secrets interactive games – in today's world

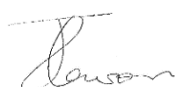

In order for the trip to take place, we ask you to make a contribution of **£20.00**. Although such a contribution is voluntary, in reality we have no alternative source of funding. If sufficient contributions are not received to make the visit financially viable, it will be cancelled and all contributions will be refunded. If you wish your son or daughter to take advantage of this opportunity, please complete the attached form and return it with cash, cheque (made payable to Ely College) or through Wisepay, to the Finance Office by Wednesday 8th February 2017.

If you qualify for Pupil Premium Grant support and would like to access some of this funding towards this trip, please tick the relevant box on the reply slip.

Students need to bring their own packed lunch and drinks. They are expected to wear the correct school uniform and suitable clothing for the weather. Please note that places for this trip are limited to **50** and will be on a first come, first served basis. We reserve the right to withdraw any student involved in any disciplinary procedure before the trip and we will be unable to refund any money paid. Students are already looking forward to this exciting opportunity to enhance their learning and experience of Computer Science. If you have any queries, please don't hesitate to contact me via my email address:

tadegoke@elycollege.co.uk

Yours faithfully

Mrs T Adegoke

Subject Leader Computer Science and ICT

Bletchley Park – ICT Trip - Mrs T Adegoke
