

31st January 2019

Dear Parents/Carers

Year 11 Mock Examinations – Part 2

Year 11 students will be sitting mock examinations in some subjects during March. Examinations in the core (English, Mathematics and Science) subjects and some others will be held 4th - 12th March 2019. These will take place in the Sports Hall for most students, and high standards of formal conduct will be expected, as they were in the November period and as they will be in their real examinations in the summer.

Other subjects may choose to have mock examinations at this time, but these will take place in usual lesson time.

These mock examinations will allow students the opportunity to sit papers they will not have yet seen and also to give us more information about areas we need to focus on for directed revision. More information about the contents of these papers will follow.

Should you have any questions about these examinations, please do not hesitate to contact me: rmustill@elycollege.co.uk

Yours faithfully

Mrs Rachael Mustill
Year 11 Achievement Leader
