Dear Parents/Carers

Student Safety

We are concerned that some students, and indeed some parents, are not paying careful enough attention to their safety on and around Downham Road at the end of the school day.

Here in college we will be working with students to highlight the need to remain on the pavements, to take special care if using a bicycle, and not to use the traffic calming measures as a pedestrian crossing. I would be grateful if you could underline this message in discussions with your child.

While I recognise it is sometimes unavoidable, please may I take this opportunity to encourage you to avoid creating unnecessary traffic in the vicinity of Downham Road at the end of the school day. Out of respect to our neighbours, may I also remind you of our earlier request to avoid using St Andrew's Way as a parking spot when visiting the college.

Thank you for your support.

Yours faithfully

Richard Spencer
