

15<sup>th</sup> February 2019

Dear Parent/Carer

We have received a number of enquiries about textbooks and revision guides for the new GCSE science course.

We would like to offer you the opportunity to purchase the CGP textbooks and revision guides at a much reduced rate (almost 50% off retail). The textbooks and revision guides cover all of the GCSE content. **We recommend purchasing the revision guides, but can provide textbooks if requested.**

**Combined Science** students (10e2, 10e3, 10e4, 10e5, 10w3, 10w4) should use the **Combined** Science revision guide/textbooks. The revision guide is £5.50 (only one is needed as it covers biology, chemistry and physics). Each textbook is £6.50 (all 3 are £19.50). Please also indicate if you want the Higher or Foundation version (if you're not sure, ask your teacher).

**Separate Science** students (10e1, 10w1) should use the **Separate** Science revision guides/textbooks. Each revision guide is £2.75 (all three are £8.25). Each textbook is £10.00 (all three are £30.00). If your child is eligible for pupil premium grant support, then school will provide the revision guides.

If you would like to purchase any science revision guides or textbooks, please complete the slip below and return it to the finance department. We prefer payment to be made online using WisePay, but if this not possible, please make your cheque payable to "Ely College".

Yours faithfully

Mr Sam Craven  
Curriculum Lead – Science
