It is possible to combine Academic and Applied General route at some providers

Maths and English for Full Time Students

- Students who achieve grade 3 or below in English and/or Maths will need to continue working towards their GCSE. Those with grade 3 need to retake GCSE, those with 2 and below can take qualifications that lead to GCSE or take GCSE. Students at CRC will retake GCSE English and/or maths if they have achieved a grade 2 or 3
- Students with learning difficulties and/or disabilities, may be exempt from the above, but will still need to study Maths and/or English

Where can I study?

A general guide to entry requirements

A Level /IB courses	Applied general (Level 3) courses	Technical courses
<ul style="list-style-type: none"> Centres require a range of GCSEs including Maths and English. Some subjects need specific subjects and grades. 	<ul style="list-style-type: none"> Minimum of 4 GCSEs at grade 4 or above (or vocational equivalent) usually including Maths and/or English Some require 5 GCSEs at grade 4 Some require specific subjects 	<ul style="list-style-type: none"> You start most courses at Level 1, progressing to Level 2 and Level 3 as your skills develop For some courses you can enter at Level 2 or 3 depending on skill level Some courses need specific subjects
GCSE courses	Applied general (Level 2) courses	
<ul style="list-style-type: none"> Minimum of three grade 4 GCSEs including Maths and English. Some subjects need specific subjects and grades 	<ul style="list-style-type: none"> Minimum of 2 GCSEs at grade 3 (or vocational equivalent) 	

To confirm entry requirements and specific subject requirements please contact post 16 centres you are considering

Minimum A-level profiles for 2020 entry

Bishop Laney	5 GCSEs at grade 9-4 including English and/or Maths (course dependent). Minimum of grade 5 or 6 in chosen subject
Cambridge Academy for Science & Technology	At least 7 GCSEs at grade 9-4, including two Sciences (either double award or specific subjects) at grade 6, Maths grade 6 and English grade 4.
Comberton	5 GCSEs at grade 5 and Maths & English grade 4. Also at least a grade 6 in the A-Level subject (or similar subject) to be studied
Hills Road	To be invited to an informal guidance meeting about your course, you will need an estimated GCSE profile broadly equivalent to four subjects at grade 6 and four subjects at grade 5, including English Language and Maths
Long Road	All qualified applicants are given a friendly guidance interview. At least 7 GCSEs at grades 9-4 in a range of subjects including Maths and English Language. Also grade 5 in relevant GCSEs for chosen A Level subjects.
The Oakes	7 GCSE grades 9-4 or in an appropriate range of subjects, including Maths and English grade 4. A minimum grade 6 is advised where a course is continued from GCSE.

Refer to individual websites and prospectuses for more detailed information.

Minimum IB profiles for 2020 entry

Impington

International Baccalaureate Diploma Programme: at least seven GCSEs with an average of Grade 5, including English Language and Maths. For subjects you wish to take at higher level you will need at least a grade 6.

International Baccalaureate Career Programme: at least five subjects at GCSE grade 4 or higher, ideally including Mathematics and English and preferably with a grade 5 in your area of specialism. Strong interest in the vocational BTEC subject will need to be in evidence at the guidance meeting.

Parkside

At least 5 GCSEs, or equivalent, at Grade 4 or above, including English and Maths. At least 3 grade 6 or above for all Higher Level subjects. These are minimum requirements; some IB subjects require higher GCSE grades than those specified above. We particularly welcome applications from students with very strong GCSE (or equivalent) results.

Refer to post-16 centres for current entry criteria, specific subject requirements and how subject combination and putting a centre first when applying may affect your chances of success.

How do I decide?

Things to consider	More advice or information needed?
<ul style="list-style-type: none">• Future plans/aspirations• Subjects you enjoy• Entry requirements v projected grades• Learning style• Assessment methods• Transport	<ul style="list-style-type: none">• School careers/transition advisors• Post 16 open evenings/days• Post 16 centre websites/prospectuses• MyChoice@16 website• Family and Friends• http://www.youthoria.org

How do I Apply?

College or Sixth Form courses

- Use the online application process for centres in CAP
- For centres outside CAP, approach the centre directly

Apprenticeship

- National Apprenticeship website
<https://www.findapprenticeship.service.gov.uk/apprenticeshipsearch>
- Not Going to Uni website
<https://www.notgoingtouni.co.uk/>
- Companies own websites
- Contact colleges and training providers that offer apprenticeships.

ELY COLLEGE

Year 11

Here is a selection of sessions available to Year 11 students to help them achieve their potential. We encourage students to attend these in College, but felt it would be useful for parent/carers to also know when these are occurring.

Session 6 is our programme of afterschool extra-curricular opportunities. Session 6 extends the learning day to 4:15pm.
