7<sup>th</sup> March 2017

To the Parent/Carer of Y11 Engineering Students

Dear Parent/Carer

### Year 11 Engineering

With the Engineering exam on 21<sup>st</sup> March, the Technology Department are pleased to offer additional lunch time revision sessions for all Year 11 Engineering Students. The sessions will take place every Wednesday and Thursday in T1 at 1:30pm. Please have a discussion with your child and encourage them to attend.

In addition to the extra exam sessions we have produced a unit 1 exam pack for each student, which includes copies of past exam papers and revision worksheets to be used in conjunction with your child's engineering text book.

We believe that the lunch time sessions and revision packs, combined with the long running after school session 6 offerings on Tuesdays and Thursdays, will provide your child with the best opportunity of success in the March and May unit 1 engineering exams.

Finally, a useful website <http://www.btecengineering.co.uk/> is an online resource that will support revision sessions at home.

Please email Mr Mackintosh [dmackintosh@elycollege.co.uk](mailto:dmackintosh@elycollege.co.uk) or Mr Fisher [afisher@elycollege.co.uk](mailto:afisher@elycollege.co.uk) for further information.

Yours faithfully
