20th March 2017

Dear Parent/Carer

We are delighted to invite selected students to present their science club experiments at the Hauser Forum, on the West Cambridge site of Cambridge University, as part of the Schools Zone of the Cambridge Science Festival.

The event takes place on Saturday 25th March 2017 and runs from 10.30am – 3.00pm. A science teacher will supervise the students during the event, but students will require transportation to and from the event. There is limited parking available at the Hauser Forum (Charles Babbage Road, CB3 0GT), but the Madingley Road Park and Ride is very close <http://www.cambridgeshire.gov.uk/transport/around/parkandride/madingleyroad/>

A free basic lunch will be provided, but students with special dietary requirements are advised to bring their own. Please may we request that students wear their Ely College uniform to this event.

Students will be presenting their work to the general public and families are encouraged to attend the event (it is a really great day out). Please email Mr Craven scraven@elycollege.co.uk or Mrs Manning smanning@elycollege.co.uk if you have any questions or concerns.

Finally, please complete and return the reply slip below to Mr Craven by Tuesday 21st March 2017, thank you.

Yours faithfully

Mr S Craven
Curriculum Leader Science
