23rd March 2017

To all Parents/Carers of Turing House Students

Dear Parent/Carer

PLEDGES and Futures Day – Tuesday 28th March 2017

The next Pledges and Futures day will take place on Tuesday 28th March. Students in Turing House (except Year 11 who will be doing GCSE revision) are going to the Science Museum in London to see the new Winton Gallery exhibition bringing to life 400 years of mathematics. This interactive exhibition includes work by Alan Turing and other mathematicians over the centuries.

Coaches will leave the College at 8.30am and will aim to return in time for the end of the College day at 3.00pm. Should the coaches be delayed we will contact parents via our InTouch email system with revised arrival times and hold on to students who would normally travel by bus until parents are able to make arrangements for their collection.

There is no cost to parents as the College is covering the cost of the transport and the Science Museum is free entry. Students should bring a packed lunch with a bottled drink. Please note carbonated drinks, energy drinks or cans are not permitted. Any student who is entitled to free school meals will be provided with a lunch from the College.

As this is a trip within school hours, students should wear uniform and the usual rules of footwear, makeup and jewellery will apply. We will use medical information and contact details from our records – if you wish to update this please contact Turing Student Support Assistant Zoe Bell.

Should you have any questions regarding this trip or **do not** want your child to participate in this opportunity please contact Bev Saddington **by 12.00pm on Monday 27th March** by email bsaddington@elycollege.co.uk or call 01353 652815, so alternative arrangements can be made for them.

Yours faithfully

A handwritten signature in black ink, appearing to be 'S Branch', written over a white background.

Ms S Branch
Senior Tutor – Turing House
