

27th March 2017

Dear Parent/Carer

We have received a number of enquiries about textbooks and revision guides for the new GCSE science course. Please remember, that all of our students have **free** access to digital textbooks through their Kerboodle account. We have not been impressed by any revision guides that have been published so far, but we do think that the CGP textbooks are well made (these are different to the digital textbooks).

We would like to offer you the opportunity to purchase the CGP textbooks at a much reduced rate (almost 50% off retail price). The textbooks cover all of the GCSE content.

Combined Science students (10W2, 10W3, 10W4, 10E3, 10E4) should use the **Combined** Science textbooks. Each book is £6.50 (all 3 are £19.50).

Separate Science students (10W1, 10E1, 10E2) should use the **Separate** Science textbooks. Each book is £10.00 (all three are £30.00).

If you would like to purchase any science textbooks, please complete the slip below and return it to the finance department. We prefer payment to be made online, if possible, but if not, please make your cheque payable to 'Ely College'.

Yours faithfully

Mr S Craven
Curriculum Lead – Science
