Dear Parent/Carer

We have recently been fortunate enough to have Colin McCallum from Happidojo Judo deliver a range of taster sessions for our students across two days within the PE curriculum. As part of these taster sessions students were given leaflets to Colin’s local Judo clubs in Bury St Edmonds, Mahram and Cambridge and the general response from the 200 students who had a taster session was extremely positive.

We do however recognise that logistically these clubs are a considerable distance from Ely and following a conversation with Colin I am looking at the possibility of hosting and launching a local club at Ely College, with a specific focus on Ely students. We would initially look at running a 6 week block of sessions 3.15pm to 4.15pm, 1 hour in length during either the 1<sup>st</sup> of 2<sup>nd</sup> Half term. These sessions would cost approximately £3-4 a student, depending on level of interest.

The benefits of Judo are extensive both in terms of the physical development but more importantly the social and mental aspects with its high level of discipline and independent dedication.

At this time I am looking for potentially interested individuals to highlight this by returning the reply slip below. This does not tie you in to joining the club but will mean that once we have a better understanding of the needs of our target group we will look to provide further information and confirm timings and costs at which point a more formalised sign up will be required.

If you have any further questions please feel free to contact me directly [JCoe@elycollege.co.uk](mailto:JCoe@elycollege.co.uk)

Yours faithfully
