Dear Parent/Carer

AMSP Maths Feast

Your child has been chosen as a member of the team that will represent Ely College at the Advanced Mathematics Support Programme Year 10 Maths Feast. This will take place on 3rd February 2020 at Cromwell Community College from 9.30am to 12.30pm.

This is a national competition which combines mathematical, communication and teamwork skills and offers students another way to express and develop their enjoyment of mathematics. The Maths Feast competition has been running for several years and has always had a very positive response from students and teachers. We hope that you will give your permission for your child to take part.

We will leave school during registration and arrive back before lunchtime so there will be no need for special lunchtime arrangements to be made. We will travel by school minibus. If you have any questions, then please do not hesitate to contact me: lshepherd@elycollege.co.uk

Yours faithfully

Mrs L Shepherd
Maths Teacher
