Dear Parent/Carer

Proposed Drama Rehearsal date for Component Two

Following my last correspondence confirming Friday 3rd April as the exam date, I am now writing to advise you of the proposed weekend rehearsal date. We are looking to hold a whole day rehearsal for the whole cohort on Saturday 14th March 2020 here in school.

Students will also be expected to rehearse with their group members outside of the drama timetable so they can be prepared for their practical examination. We have therefore created lunch-time and after school rehearsal windows for them. Students were provided with an electronic copy of Arthur Miller's 'The Crucible' script and paper copies of the two extracts that they will be performing to an audience and the OCR examiner, and are expected to be learn all their lines.

In order to support your child with the demands of this Component it would help them to rehearse their lines with you or a sibling and be encouraged to attend the daytime and session 6 rehearsals with their peers. Sadly, we have, already, experienced students' losing their scripts and not attending the rehearsal times available to them and this will become a real concern closer to the exam date.

I will be able to send further details about the weekend rehearsal early next week.

I hope that you find this information useful in supporting your child during this period.

Please do not hesitate to contact me if you should require any further information:
