Dear Parent/Carer

Music Making Workshop

During the school day on Monday 4th February, Ely College and Aldeburgh Young Musicians are collaborating to deliver an exciting day of music making.

Aldeburgh Young Musicians offer high-quality musical provision and opportunities to young people in East Anglia. This day of musical activities is designed to introduce selected musical students from the college to the Aldeburgh Young Musicians scheme and what it can offer.

There will be a very short presentation before spending the rest of the day working with professional musicians to create a piece of music from scratch.

There will be opportunities to meet the Aldeburgh Young Musicians staff team, ex-and current students, and to ask questions and find out more.

The team is led by graduates of the Guildhall University Leadership programme, who specialise in delivering exciting and enriching workshops for Aldeburgh Young Musicians.

Students will need to bring (if they have them) their instruments to college, along with any spare strings/reeds etc. that they might need. Please can you indicate below if your child would like to take up this exciting opportunity.

Yours faithfully
