27th June 2019

Dear Parent/Carer

National Space Centre trip

We are delighted to invite your child to attend a trip to the National Space Centre on Tuesday 16th July 2019. There are no costs as we have been fully funded by the Ogden Trust, a charitable foundation that supports Physics education.

Students will experience the CapCom Go planetarium show and participate in the interactive Mission to Mars challenge. We have only been allocated 8 spaces, which will be filled on a first come, first served basis. Students will be transported by bus.

Students from other CMAT schools are also attending, and Ely students will need to be dropped off and picked up from Swavesey Village College. A member of the Ely Science department will be part of the group travelling to/from the National Space Centre.

- Drop off – 8.00am at Swavesey Village College
- Pickup – 5.15pm at Swavesey Village College

Students should wear their school uniform and bring a packed lunch. Please complete and return the permission slip below.

If you have any questions, please email me at scraven@elycollege.co.uk

Yours faithfully

Mr S Craven
Curriculum Lead Science
