Dear Parents and Carers

I'm writing to thank you all for your support during our recent OFSTED inspection. More than 200 of you contributed responses to 'Parent View', and we were delighted that more than 95% of you registered a very positive impression of the work of the college.

The inspection team fed back their judgements to school leaders last night. The process of writing and quality-assuring the report will now commence. This can take a few weeks, during which time the outcome remains provisional and confidential. We will notify you as soon as the report is published and can be shared.

For now, I will simply say that I am immensely proud of all the staff, the students and the wider college community. We are all looking forward to a very positive and busy end to the school year, with more exciting plans for further improvements in 2019/20!

Best wishes,
