

13th March 2019

Dear Parent/Carer

Spoken word performance - Antarctic science - Thursday 28th March 2019

Your child has expressed an interest in attending the spoken word performance at the Scott Polar Institute (Polar Museum), Lensfield road in Cambridge on 28th March 2019.

This is an exciting opportunity to visit the Scott Polar Museum and talk to Antarctic scientists whose research includes monitoring penguins from space!

We are expected to arrive at the institute at 1pm for a guided tour and have also been invited to act as the audience for a performance organised by our drama students. We aim to leave the institute at 4pm and return to Ely College by 5pm.

As with all events in school, we would like to celebrate this opportunity and the links that we have made with our partners. Below we ask you to confirm your agreement for photos and filming to be taken for promotional materials, including use on social media; either by college, the Scott Polar staff or Press in attendance. Please be assured that your child's name will never appear along with an image without further permission.

Please can you sign and return the reply slip to me by 20th March 2019. If you have any questions, please email me: sphillips@elycollege.co.uk

Yours faithfully

Miss S Phillips
Teacher of Science

Spoken word performance - Miss S Phillips

I confirm that my child will be attending the Spoken Word Performance at the Scott Polar Institute on Thursday 28th March 2019.

I give permission for photographs/videos to be taken for publicity purposes.
