

10th May 2019

Dear Parent/Carer

Component 1 – Friday 31st May Rehearsal - Year 10 GCSE Devised Pieces

In preparation for their practical examination in June, a number of students have requested to come into college to rehearse their pieces over half-term. I have informed them that I am very happy to come in on Friday 31st May from 9.30am to 3.30pm and work with them.

The examined piece is a group performance so it is encouraged that all members of an individual group should attend on this day. This type of rehearsal allows students a much larger time to rehearse and experiment with ideas and/or polish their final performances.

I would also recommend that they bring any props or costumes so they are fully prepared to perform in costume/props on this date. Finally, please can students also bring lunch and refreshments.

Thank you for your support.

Yours faithfully

Ms C Seymour
Drama Subject Leader
