17th July 2020

Dear Parent/Carer

Year 11 Results Day Information

We hope that this letter finds you well. We would like to share some important information with you about GCSE Results.

Unfortunately, the current restrictions mean that we are unable to welcome students into college to collect their results as we would usually do. Students will have their results emailed to their college email address at 8.00am on Thursday 20th August 2020. Please note that it may take a little time for the emails to arrive, depending upon the speed of systems that morning. In advance of this date, please can you ensure that your child can still access their school email address. If not, please contact: itservicedesk@cmatrust.net for help to reset passwords.

Staff in college will be contacting all Year 11 families and students by telephone during Thursday 20th August and Friday 21st August to congratulate them on their results and offer any support or guidance that may be required with the process of accepting offers. If you need urgent advice, please ring through to reception and leave a message and we will do all we can to respond as soon as possible. The team at Bishop Laney Sixth Form will be available through the day to answer questions.

With regards to all post-16 applications, please remember that your child should only accept one offer at one post-16 centre. All application details are on the '[My Choice @16 website](#)' and we can help with any forgotten usernames or password reset issues.

Mrs Mustill will continue to access her emails throughout the summer holiday period and so please feel free to email with any questions about Year 11 matters: rmustill@elycollege.co.uk

We know that this has been a difficult period for all Year 11 students and their families and are sad that we are not able to come together and share the opening of results envelopes. We have thoroughly enjoyed working with Year 11 and have missed them terribly in the last few months. We know the hurdles that have been overcome, the battles fought, the dedication and determination shown and the tears shed throughout the year.

You will be keen to hear news of Prom and of other opportunities to welcome you all back to college. Be assured that we are reviewing this closely and as soon as we can share alternative plans with you, we will do so. We want Year 11 students to know that all of us at Ely College wish them well in the next stage of their education.

Yours faithfully
