Dear Parent/Carer

### Yr 6 Parent/Carer Zoom meetings

As promised I am writing with further details about how we can facilitate Zoom meetings with Yr 6 parents and carers.

We have set aside three specific dates and times to meet online with you via Zoom. These ‘meetings’ will provide us with an opportunity to share important information about Ely College and the transition process. I will be joined by Richard Spencer (Executive Principal) and Sarah Goodey (Assistant Principal). During the Zoom meeting you will also hear from two of our students: Georgia is in Yr 8 and James is in Yr 10. Georgia will talk about her experience of Yr 7 and James will tell you more about college life in general!

This is the first time we have facilitated a large group Zoom forum, if we experience a technical hitch or capacity issues, then please may we ask for your patience and understanding. If, for any reason, you are unable to join or tune in, then don't be too concerned, please email us and we will do all we can to rectify this:

So that we can accommodate everyone, we have allocated specific dates, as below. Please ensure you ‘tune in’ on the correct date at the allotted time. It is important to note that logins are limited to **one per child, on one device** – we do not have capacity for several members of a household to all login separately. Zoom meetings are limited to 40 minutes – if at the end of the Zoom meeting you still have some unanswered questions or queries, then please let us know via: [Transition@elycollege.co.uk](mailto:Transition@elycollege.co.uk)

---------------------------	-----------------------	-------------	---

I do hope you find your session helpful and interesting. In the coming weeks we shall also be sharing with you a student video which will focus on "a day in the life of Ely College" looking at Yr 7 and Yr 8 experiences. Please also take a moment to read our 2019-20 school prospectus: <https://www.elycollege.com/prospectus> for wider information about college and all that we can offer your child. Our updated school prospects is being worked on and will be released very shortly.

Yours faithfully

Simon Warburton
