Dear Parent/Carer

PE Lessons

Once again, we have reviewed our latest PE plans and looked carefully at the mitigation of previous risks. In light of these factors, we are now happy and confident to revert back to students changing for PE in the PE changing rooms with appropriate supervision, social distancing and the wearing of face masks. These changes will come into effect as from 2nd November 2020.

I'd like to take this opportunity to thank, not only parents and carers, but students too, who shared thoughts, ideas and feedback. Working within guidelines and restrictions and balancing an enriching PE curriculum was never going to be easy, so we are pleased to be moving positively towards a slightly more 'normal' delivery.

Whilst writing, I must reiterate that we will be continuing with the majority of PE occurring outside, so having appropriate outdoor clothing remains essential.

Please share this information with your child in readiness for the new term.

Yours faithfully
