11th September 2020

Dear Parent/Carer

Yr 11 Jazz Band

Your son/daughter has expressed an interest in taking part in the Music department's Session 6 extra-curricular provision.

I am writing to you to share details of this provision, and to hopefully clarify any questions that might arise.

Jazz band will take place on a Monday Week A, starting on Monday 14th September, between 15:05 and 15:55. The rehearsal will take place in LG1, which is allocated to this specific year group during the same curriculum day, so your son or daughter will be using an appropriate space that follow the college's risk management policies. As with normal music curriculum lessons, your son or daughter will be asked to use sanitiser on entrance/exit of their classroom, and they will be asked to leave their bags on the storage racks provided outside of the classroom.

LG1 is a large room, that is a well-ventilated space. The decision has been made to cap participants to 10 students to enable safe social distancing within the classroom. Students will be separated and asked to stand in an appropriately distanced formation around the edge of the classroom. Students have been asked to sign-up with myself in advance of the rehearsal, and an accurate register will be kept monitoring attendance and participation.

As jazz band will be taking place at the end of the school day, alternative travel arrangements will be required for students to make their way home. At the end of the rehearsal, your son or daughter will be walked around the main school site, and will exit through the main car park outside front reception.

Thank you for your support and encouragement to get your son/daughter involved in the Music department's Session 6 provision, and I look forward to sharing the product of their musical participation with you in the near future.

Yours faithfully

Mr J Newsome
Subject Leader for Music
