Dear Parent/Carer

Key Stage 3 Virtual Concert

On Wednesday 21st October, the Music Department will be showcasing a pre-recorded Key Stage 3 'Virtual Concert' to which all students, staff and parents of Ely College will be invited to watch from the comfort of their own homes!

This concert provides an excellent opportunity for all Yr 7 students to be involved in their first musical performance at Ely College. The concert will feature a range of musical styles which showcase the high quality student musicians and ensembles we are fortunate to have in college. In addition, the concert will also include two performances that involve the entire Yr 7 cohort providing an insight into the learning experiences of your son/daughter in music during this half-term.

If you **do not wish** for your son/daughter to perform in the KS3 Virtual Concert, which will be shared and viewable in the public domain, then please contact me directly to opt out: jnewsome@elycollege.co.uk by Sunday 27th September. After this date, pre-recorded videos will be taken in the Yr 7 classrooms (with the exception of any student whose parent did not give photo/video consent when joining Ely College). The KS3 Virtual Concert will be steamed on CMAT Education YouTube.

Thank you for your support and encouragement for your child's involvement in the KS3 Virtual Concert. Over the coming weeks I will be writing to you again with the final details of the concert on 21st October, including how to access the performance and how to make virtual ticket donations through WisePay to support the extra-curricular music provision here at Ely College.

Yours faithfully

Mr J Newsome
Subject Leader for Music
