Dear Parent/Carer

### **Spare Laptops or Tables?**

Do you have any spare laptops, tablets or desktops that you no longer use? If so, we should be very grateful if you would consider donating them to us so that we can securely wipe the content, install licensed software and donate them to students who do not have computer access at home.

The Covid lockdown forced us to adapt to remote learning within a very short timeframe. We now have the systems and routines set up so that, in the likelihood of a part lockdown, or students having to work from home as they isolate, we can deploy remote learning effectively. However, we are aware of a large number of students who do not have a device or have access to one during the day. Your donation would be a fantastic act to help us support all children to access their learning.

If you are able to donate, then please email: [itservicedesk@cmatrust.net](mailto:itservicedesk@cmatrust.net) for more details.

Yours faithfully

Simon Warburton  
Principal
