'Anything is possible'

The first guest speaker is [Charlie Fogarty MBE](#)

In March 2012, Charlie Fogarty suffered a severe brain injury after being hit by an overtaking car whilst crossing the road. Following the accident Charlie was rushed to Birmingham's Children Hospital, placed in an induced coma and spent 11 uncertain days in intensive care. He was then transferred to a neurology ward where he spent the next four months in the early stages of recovery. Charlie completed a 6-month rehabilitation programme in Surry Children's Trust where he learned to eat, walk and talk again. He was finally returned home in February 2013, from there he began his inspiring journey to recovery.

After Charlie has spoken you will be invited to attend a Year 11 Matters Ely College event which can be found at this link: [Year 11 Matters Ely College](#)

The event will conclude with a presentation from Jack Miller the founder of [Career Velocity](#) on the theme of **"Your personal brand online"**
