

21st April 2021

Dear Parents/Carers and Students in Yrs 7, 8, 9

Rowing Programme

I am really excited to be able to share with you some excellent news around an additional Session 6 opportunity starting on 6th May 2021. After what has felt like a really long break, we will be re-launching our rowing programme. Keep a look out on Teams for the sign-up sheet that will go live at 3.00pm on Monday 26th April, closing date will be Wednesday 28th April.

Initially we will be offering 4 week taster sessions for as many students as we possibly can between now and the summer with a view to creating either one or two squad teams (16-32) for the next academic year. This opportunity will run on a Thursday afternoon at Ely Rowing Club from 3.15pm to 4.45pm. Parents need to be available to drop off at the Rowing Club and also to collect your child from the Rowing Club at the end of the session. Moving forward, and Covid permitting, we will look to transport students from college to the boat house at the end of the college day.

More information for students can be found on Teams: ECA-2020-PE-Remote Learning Channel.

Once signed up I will write to all those successful with further details regarding the offer and the logistical elements ie., your 4 week block dates and confirmed plans for transportation etc.

Thank you in advance of your support.

Yours faithfully

Mr J Coe
