Dear Parent/Carer

Ely College Careers

We are currently working on our careers calendar for the next academic year and we would like your help. An element of careers that is incredibly important is our students having encounters with professionals from a variety of different careers. We would like to begin collating a database of contacts/local employers who would be willing to share their expertise about their own careers, either virtually or by coming in to school and speaking to our students.

Ely College prides itself on its sense of community, which is why we are asking if you would like to be involved to please contact Miss S Norman at: SNorman@elycollege.co.uk or CEIAG@elycollege.co.uk with details of your job role and your availability.

We are also very keen to hear your feedback about the Careers Programme at Ely College and would appreciate if you could spare five minutes to please complete [this questionnaire](#). The deadline for responses is Friday 2nd July.

If you have any questions, please email Miss S Norman on either of the email addresses above.

Yours faithfully

Miss S Norman
Careers Coordinator & Advisor
