8th September 2021

Dear Parent/Carer

Year 10 – Villiers Park

We have an exciting opportunity for five Year 10 students to take part in The Leadership Challenge which is run in collaboration between CMAT and Villiers Park Educational Trust. Applications are open to all students in Year 10 and the challenge will start with an introductory event on Friday 17th September held at Swavesey Village College and is scheduled to finish around Easter 2022.

The Leadership Challenge will support you to create, manage and deliver an educational project to your peers. Its purpose is to develop core leadership skills and experience success, as well as the opportunity to be creative, tenacious and curious in their learning. Projects can take many different forms and should engage and inspire peers in an area that you are passionate about. These leadership skills are highly valued by a wide range of employers and sectors. The project will also seek to develop self-efficacy – a habit that is fundamental for student success.

The five students selected to take part will experience the success of making a difference to their own school community. They will have the opportunity to learn in new environments and develop skills, attributes and behaviours that will help them in their future education and career development. Completing the leadership challenge can also go towards completing your PLEDGE awards.

We are inviting you to email your interest in this exciting opportunity to Mr Fricker: dfricke@elycollege.co.uk The closing date for this is 9am Monday 13th September and you must be available to go on the introductory event later in the week.

Yours faithfully

Mr D Fricker
