10<sup>th</sup> September 2021

Dear Parent/Carer

## **Young Technicians - Lighting and Sound Technical Training Free Workshop Monday 20<sup>th</sup> September 3.15-5.15pm**

We are very pleased to be able to offer students, that are interested in learning about creating lighting and sound for productions, a free technical workshop with industry professionals.

Young Technicians are a training academy that teach young people all aspects of the live events industry from sound reinforcement, lighting production and design, stage management, festival and theatre rigging, event management and health and safety. The course also offers students the opportunity to receive the Trinity College Arts Award.

The Academy have written a letter directly to the parents/carers of our students which includes more details, the cost of the course and a link to their brochure. Please note that there is no expectation at this stage for your child to sign up for the course, there will be further guidance on how to join the course after the workshop has been delivered.

If you feel that your child would be interested in this exciting opportunity please can you and your child complete the following link:
