Dear Parent/Carer

Yr 11 Maths revision cards

The maths Department would like to offer you the opportunity to purchase some revision cards to help with revision. The cards come from the Corbett math website that allow students to self-quiz and on the back of them there are QR codes that they can use to look up videos, exam questions and answers. These normally cost £10.99 to buy directly from the website but we are able to purchase copies in bulk for £6.25 each (Pupil Premium students will be given one of these free of charge). The link to the cards can be found here: <https://corbettmaths.com/revision-cards/>

If you wish to purchase a set of cards, please pay through WisePay by 7th October 2021, we will then place the order. The revision guides should be available for collection, from your child's teacher, week beginning 1st November 2021.

Other revision resources we can recommend are:

Revision workbooks and guides
