

20<sup>th</sup> September 2022

Dear Parent/Carer

Our Year 11 students have now reached the year which marks the end of their secondary education. It is a time when important decisions about the future have to be made and all young people will be required to stay in education or training until their 18<sup>th</sup> birthday.

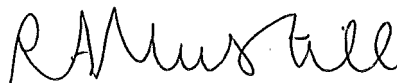

We would like to invite you to a **Post-16 Progression Evening** in the Assembly Hall and Dining Room at the college on **Tuesday 27<sup>th</sup> September 2022**. The purpose of this evening is to give you information on the opportunities available to students when they leave school and the range of courses available to them in Post-16 Education. Information about how to apply for this provision will be shared during the evening so it is important that you attend. Students will be supported through this process in both assemblies and PSHE lessons.

There will be a 20-minute talk in the Assembly Hall and to avoid congestion in the Dining Room this will be delivered twice:

- Session A at 6.00pm for students in Etheldreda and Scott Houses
- Session B at 6.40pm for students in Franklin and Turing Houses

Students should be accompanied by an adult where possible. Following the talk in the Assembly Hall, you will head into the Dining Hall and can find out more from representatives of local Sixth Form Colleges including Bishop Laney, Cambridge Regional College, College of West Anglia, Long Road and Hills Road Sixth Forms.

Yours faithfully

Rachael Mustill  
Assistant Principal
